TRAVERSE CITY - When joining Career Techs, Writers Studio, it's important to know that students have the opportunity to earn College credit through Northwestern Michigan College. Students have the opportunity to earn English 111 and English 221 during their two years attending the program.

One of our biggest connections and partnerships is with Nicco Pandolfi, an Instructional Librarian at NMC. Pandolfi visits the Writers Studio classroom multiple times a year. He shows students how to conduct professional research for creative non-fiction essay writing. Students end up using their newly developed research skills throughout the rest of the year.
