

Employee Giving – Payroll Deduction

North Ed
Foundation

Payroll deduction is an opportunity for you to support The North Ed Foundation in its purpose of enhancing and enriching learning opportunities and outcomes for all students.

The Foundation provides funding to support all students affiliated with a Northwest Education Services program or service (Special Education or Career Tech) in one of three areas: *Emergency Needs*, *Tools of the Trade* (for students going directly into their chosen industry), or *Academic Scholarships* (for post-secondary education). Donations may also be designated “unrestricted” to be used in the area of greatest need.

If you would like to contribute to the North Ed Foundation through a payroll deduction, please choose one box in each section below, sign this form, and return directly to the Payroll Department (Payroll@NorthwestEd.org). Printed copies may be sent through inter-campus mail to the Payroll Department at Arnell Administration. The North Ed Foundation is a 501c(3) charitable organization, and all contributions are gratefully received.

Full Name: _____ Employee #: _____

Amount per pay period: \$5 \$10 \$25 Other: \$ _____

I would like my donations to be directed towards:

- Student Emergency Needs
- Tools of the Trade Scholarships
- Academic Scholarships
- Unrestricted

Signature: _____ Date: _____

I authorize my employer to deduct the amount selected above as indicated as a charitable contribution from me to the North Ed Foundation. I understand that deductions will be made from my post-tax wages. As such, I am responsible to pursue any income tax deduction that I may be eligible to receive when filing my individual tax return. I further understand that I may cancel my donations at any time by providing written notice to my Payroll Department. No goods or services were provided in exchange for this contribution.

Internal Use Only
