

Supporting Students with an IEP in Inclusion Settings

The two instructional planning templates at this link are part of the ‘Accommodations and Modifications’ professional development that has been offered for the past two years at TBAISD by Leigh Kennedy.

- The Accessibility Framework provides strategies for increasing access to curriculum that is aligned to CCSS.
- The Accessibility Planning Template can be used to plan for students with an IEP, in an inclusion setting, being instructed with CCSS.
- The Modifications Planning Template can be used to plan for students with an IEP, in an inclusion setting that are instructed with the alternate state standards.
